Kwara State University, Malete Ilorin, Nigeria.

EDITORIAL COMMENT

1. LAUTECH Journal of Nursing (LJN) has the goal of becoming the most widely cited Nursing Journal in West Africa.
2. The LJN has the tripartite mission of:
 - (a) Promoting a culture of excellence in nursing research.
 - (b) Encouraging the exchange of profound and innovative ideas capable of generating creative practice in nursing research practice.
 - (c) Disseminating information on nursing related development that are not usually easily available to academics and practitioners.
3. The Journal will accordingly encourage the publication of the following categories of papers.
 - (a) Research papers that move away from orthodoxy and which really break new grounds in terms of methodology and findings.
 - (b) Essays and issues papers that contribute to re-orienting received ideas, values and practices.
 - (c) Documents emanating from national and international conferences, as well as from large-scale research work that emerging trends and thinking in nursing related development.
4. LJN is published twice a year in any area of nursing interest or relevant to needs of academics and practitioners.

In this volume, nineteen papers scale through the eye of the needle of the Editor-in-Chief. The title of the papers in this edition is: assessment of food craving and aversion practices among primigravid mothers, in Enugu metropolis. Assessment of nurses' knowledge of pain assessment tools in selected hospital in Benin City Edo State. Knowledge and use of anti-shock garment among midwives in central hospital, Benin City, Edo State. Mentoring in nursing: strategy for professional development Economical adaptations of Vesico Vaginal Fistula patients in Nigeria. Comparative analysis of the socioeconomic status of parents with the academic performance of students of two selected secondary schools in Jos South, Plateau State. Knowledge of health consequences of self-medication among students of government technical college, Osogbo, Osun State. Utilization of self-medication among students of government technical college, Osogbo, Osun State, Nigeria. The relationship between stress management mechanisms and lecturers' job performance in Kwara State. Dichotomy between knowledge and utilization of delivery care services among women of childbearing age in Edu Local Government Area, Kwara State, Nigeria. Knowledge of risk factors and preventive practice of hypertension among office workers in Yenagoa Local Government Council, Bayelsa State, Nigeria. Child abuse related knowledge and practices among parents in Ilorin South Local Government Area, Kwara State, Nigeria, Perception of sleep deprivation and academic performance among Nursing students in College of Medicine, University of Lagos. Effect of Health Education intervention on knowledge of birth preparedness among pregnant women attending primary health care in Zaria Metropolis. Assessment of family levels of functioning among civil servants in Federal Capital Territory Abuja, Nigeria. Perceived causes of anemia and strategies of prevention among Pregnant Women Attending antenatal clinic at Olabisi Onabanjo

University Teaching Hospital Sagamu, Nigeria; clients' perception of quality of maternal health care services provided by skilled attendants at Poly District Hospital Enugu, Enugu North local government area, Enugu State, Nigeria. Birth preparedness and complication readiness in Amassoma community of Southern Ijaw local government area, Bayelsa State, Nigeria. Knowledge and practice of breast-self examination among female youth corpsers in Lokoja, Kogi State and Evaluation of the impact of feeding practices during early infancy on babies in selected infant welfare clinics in Ibadan, Oyo State, Nigeria.

EDITORIAL DESK

LAUTECH Journal of Nursing focus on but not limited to Research findings in the different areas of nursing: Nursing Care, Nursing Education, Medical Surgical Nursing, Maternal and Child Health Nursing and Community Public Health Nursing, Psychiatric/Mental Nursing.

This journal is published to promote quality scholarly writing and hence instigating, generating vibrant discourses in the different areas of nursing. Apart from providing an outlet for publications of research findings, it offers opportunities for professionals and students to disseminate their views or position on topical issues and emerging theories within the scope of the journal.

Fifty authors have contributed in one way or the other to this third edition of the journal. In this regard, the journal welcomes articles from individuals and corporate organisations for the 4th edition.

Happy reading!!!

GUIDELINES FOR AUTHORS

Contributors to the journal are to respect its avowed principle of **QUALITY** in all its Ramifications and ensure that:

(a) **Presentation of Manuscript**

We require an electronic copy, doubled spaced and paginated. The file should be saved as a Word Document, donot use PDF. Ensure the manuscript you provide is double space throughout, including indented block quotes, excerpt, extract, references. The font should be Times New Roman 12 Points.

RESEARCH PAPERS are technically and faultlessly designed, executed and reported

(b) **ESSAYS AND ISSUES PAPERS** are analytically sound, presenting solidly original ideas that can positively influence change in educational thoughts, research and practices.

(c) The manuscript, which should include title, abstract, text, tables, figures, where necessary, should be typewritten on A4 size paper with double-spacing and should not exceed 15 pages

(d) The abstract should not be more than 250 words

(e) Authors should use the latest APA manual of styles. Some examples are:

I. **Book**

Uba, J. E. (2007), Overcoming the hurdles of research projects, thesis, dissertation. Calabar, Nigeria, Ushie Printers.

ii. **Chapter in edited book (a)**

Simeon, O.L & Adewale, J.G. 2013. Student Extrinsic And Intrinsic Factors As Correlates Of Technical And Vocational Education Enrolment In Osun State. A.O.U Onuka. Eds. Esthom Graphic Prints, Nigeria. 286-296.

iii. **Chapter in edited book (b)**

Oluwaponmile G.A & Adegbile J.A. 2013. The Concept Of Individualization Of Instruction And Christian Education. A.O.U Onuka. Eds. Esthom Graphic Prints, Nigeria. 114-155.

iv. **Article from journal**
